REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose, in combination with the invention that the voltage regulator has at least a first terminal connected to a first terminal of the control unit and the control unit is arranged to deliver the phase signal to the voltage regulator and that the system voltage generates a phase signal from the control unit that is processed by the voltage regulator.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
